

SEND Newsletter

Summer 1 2025

**YOU ARE
SUPER DUPER
AMAZING
TALENTED
GO GETTER
LET NOTHING
STAND IN
YOUR WAY
EVER**

Welcome to the Summer 1 2025 edition of the SEND Newsletter!

It was lovely to hear that the vast majority of you were able to attend Parents Evening appointments at the end of last half term. Teaching staff have fed back to me many of the conversations you had and shared the actions and new targets you decided on together. Thank you for being so open and involved in these discussions. Staff have been busy reviewing IEPs and setting new targets following these conversations and you should receive your child's Summer Term IEP in the next week.

As always, let me know if there is anything else I can do to help!

Miss Bagnall ☺

YOU ARE INVITED!

Afternoon!

The next SEND Coffee Morning will actually be a *Coffee Afternoon* and will be held on Tuesday 20th June 2pm-3pm.

Our first Coffee Morning was a HUGE success and I look forward to welcoming you again into school to chat, learn and... eat cake!

Sarah Neal from Onside Advocacy will be joining us to talk about the services Onside provide for the families of pupils with SEND.

You can visit their website [here](#)

Introducing...MELO
(pronounced Mellow!)

A BRAND-NEW SERVICE IN WORCESTERSHIRE!

Melo is a new service, provided by Onside (who are coming to our Coffee Morning) to support children and families' mental health and wellbeing. It has replaced Reach4Wellbeing which you may have been supported by previously. Melo will be offering individual, group and specialist support for pupils and families and sounds really exciting!

Please take a look at the support which is available on the Melo website [here](#).

You can self-refer to the service or be supported to do this by school. Please get in touch if you would like more information or referral support.

Stocktake meeting letter

The latest Stocktake Meeting took place at the Local Authority in March. These 6-monthly meetings review the progress that Worcestershire have made towards the Priority Action Plan set up as a result of the poor grading of the local authority's SEND provision. You can find the review letter [here](#).

Have you made use of the Lumi Nova app shared on previous newsletters?

If so, the makers of the app are looking for honest feedback from you! Please complete the form linked below or use the QR code to access it. At the end of the form, there is an option to engage in a feedback phone call and receive a £10 Amazon Voucher.

FREE Autism Online Webinar for local Parents Monday 19th May 7pm-8pm

Understanding Autistic Masking with Jodie Clarke

Many autistic children mask their true selves in school, working hard to blend in, avoid judgment, or meet expectations. This FREE webinar, designed exclusively for parent carers, will explore what masking looks like in educational settings, how it impacts mental health, and ways to support your child at home and in school. Led by an experienced autism specialist, the session will provide practical strategies to help your child feel safe, understood, and empowered to be themselves.

Sign up for the webinar [here](#)

Are you worried about your child's hearing?

Unfortunately, Worcestershire are no longer offering the hearing screening service in schools. This means that if you are worried about your child's hearing, they will need to be referred directly to the Audiology service. This can be done by your GP or by school. Please do get in touch if you think your child would benefit from an audiology referral. You will find more information about local Audiology Services [here](#).

The Hereford and Worcester Dyslexia Association

The Hereford and Worcester Dyslexia Association is a charity which supports local families to understand and support people with Dyslexia.

Their website can be found [here](#).

Their latest newsletter is [here](#).

Support While You Wait

Unfortunately, the waiting list for some services in Worcestershire remains very long. If you are waiting for support, or even if you aren't, please do visit the Support While You Wait website which is full of useful resources based on a wide range of needs. You can find it [here](#).
